

Central Intelligence Agency
Washington, D.C. 20505

11 March 1982

Executive Director

NOTE FOR: John Stein
Bob Gates

FROM: EA/ExDir

I checked with [] who agreed it would be appropriate for us to have both a DDI and DDO representative for the attached as long as one was designated as primary. [] and [] seem like good choices, with [] taking the lead. Could you each have someone give me a call by tomorrow afternoon to let me know if you agree or have another suggestion?

Thanks,

[]
